BARNES. Parkinson The Garage FOSTER'S BOOTH

Mr Parkinson Barnes commenced a Foster's Booth - Pattishall - Astcote - Eastcote - Dalscote - Rothersthorpe - Northampton service, terminating at the Plough Hotel yard, in 1925. He was not alone on this very rural route and operated for only about a couple of years before ceasing to trade circa 1927/8.

Whilst in business, as well as running limousines, Barnes is known to have run three buses, a grey Fiat, a blue and cream twenty-seater Daimler formerly operated by A W Bird of Northampton and a Ford T. Specific details of these three machines are unknown.
