BLANEY. William

22 South Street

WEEDON

It is presumed that William Blaney of 22 South Street, Weedon operated private hires for a period in the late 1920s as on 12th July 1927 Messrs Allen & Spriggs, Motor Garage Proprietors of London Road, Daventry, supplied Blaney with a Morris-Commercial saloon bus registered RP 4655.

Exactly how long this machine remained in Blaney's hands is unknown and, probably in 1929, it passed to George Richardson of Hartwell who operated it until 1931.
