INWARD. John Charles 97 College Street IRTHLINGBOROUGH

The only fact so far discovered in relation to John Charles Inward of Irthlingborough is that he was a Jobmaster who was also operating a Hackney Carriage at May 1915. With no details of vehicles available to Inward at this time it is impossible to say whether he was a bus or taxi operator. However, at the end of July 1923 John Inward did purchase a Ford TT registered BD 8187 from Messrs York, Ward & Rowlatt of Wellingborough, but this may have been a truck not necessarily equipped to carry passengers.

Later evidence has come to light that J C Inward bought a Chevrolet open lorry registered RP 5076 in October 1927, at which time his address was 37 High Street, Irthlingborough. A decade later Inward was apparently at The Horseshoe PH in Irthlingborough where, amongst other things, he ran a taxi registered BGO 905 and was involved with the Police in connection with a minor misdemeanor whilst the owner of the above Hackney carriage in July 1940.
