BROUGHTON H. W. & BROWN C. F. CREATON

At their meeting of 24th June 1921 the Watch Committee of Northampton County Borough Council granted a Hackney Carriage Licence for the period ending 25th March 1922 to Messrs H W Broughton and C F Brown of Creaton for a motor van and lorry to take up and set down passengers at Regent Square or Campbell Square, Northampton. A further licence or licences were granted at a subsequent meeting of 10th October 1921.

The above is the only information available concerning Messrs Broughton & Brown but by implication it is assumed they must have operated some kind of short-lived passenger service between Creaton and Northampton in the period 1921/2.
